GA ECO DRIVE COVER

AMONG THE FIRST CARBON NEUTRAL INSURANCE PRODUCTS IN THE WORLD

THE FIRST COMPREHENSIVE
EV INSURANCE IN KENYA

What is GA ECO DRIVE COVER

This is one-of-a-kind insurance policy that has been designed to protect you against the unique risks associated with using your Electric Vehicle (EV).

WHY GA ECO DRIVE

1. Battery Cover

2. Charging Cable Cover

3. Private Charging Station

4. Out of Charge Recovery Benefit

Other companies have shied away from insuring the most important accessory in your EV, but not us. We will meet the cost of repairing or replacing your battery in case of theft or accidental destruction. Hit the road with confidence, knowing you have a fall back in case of an eventuality.

We know how important it is to keep your EV charged and ready to go. We guarantee you peace of mind by protecting your charging cable from theft or accidents.

Reliably safeguard your charging station against unexpected damage or theft, and enjoy the convenience that comes with having one

Running out of charge can be stressful, but not with GA Eco Drive Cover. We promise to get you to the nearest charging point within the shortest time possible.

WHY GA ECO DRIVE

5. Autonomous Driving

Embrace the use of Advanced Driver Assistance Systems in your EV with GA Eco Drive Cover.

6. Cyber Attack Coverage

In today's digital world, cyberattacks can target your vehicle's system. GA Eco Drive protects you from these online threats and enables you to drive or ride your EV worry-free.

7. In-car Entertainment Unit and Satellite Navigation System cover

With our comprehensive protection, you can stay focused on the road while taking advantage of all the perks of in-car entertainment and navigation systems.

8. Cover for injury and damage caused by charging cables.

To be human is to error, so if a charging cable causes someone to fall on the road or in a public place, or unexpected damage is done due to a faulty cable - you are assured that you'll be covered with us for third party incidents.

We cover damages caused by accidents, theft or vandalism, fire, water, natural disasters among others.
